

6010B

The popular drill for one-hand operation.

- Drilling capacities
Steel : 10 mm (3/8")
Wood : 15 mm (5/8")
- 305 W
- 1,800 RPM

Drilling / Fastening

6010BVR

The popular drill for one-hand operation plus variable speed / reversing switch feature.

- Drilling capacities
Steel : 10 mm (3/8")
Wood : 15 mm (5/8")
- 305 W
- 0 - 1,800 RPM

6510LVR

- Drilling capacities
Steel : 10 mm (3/8")
Wood : 18 mm (3/4")
- 330 W
- 0 - 1,050 RPM

6408

- In-line handle with groove for more steady gripping above.
- More than twice as quiet as comparable makes.
- Heavy-duty keyless chuck
- Drilling capacities
Steel : 10 mm (3/8")
Wood : 25 mm (1")
- 530 W
- 0-2,500 RPM

6020

- Big capacity, extra-large top handle and spade handle flexibility gives this model an advantage
- Steel : 20 mm (3/4")
- 540 W
- 620 RPM

6301

- The large side grip, D-handle design and depth rod make for convenient drilling.
- Drilling capacities
Steel : 13 mm (1/2")
Wood : 30 mm (1-1/8")
- 700 W
- 1,300 RPM
